### **Proposal File – 4 pages maximum**

#### ***Proposal Format***

Your proposal must be formatted as follows.

- No longer than 4 pages maximum
- 11-point font or larger
- At least 0.5” margins all around
- Single line spacing
- Standard character spacing (neither expanded nor condensed)
- Arial or Times New Roman font
- Microsoft Word® or Adobe® PDF filetype
- Entire file size of 3MB or less
- Please do not include a cover sheet with your proposal. A cover sheet will be automatically generated from your registration data.

**Applications that do not adhere to these restrictions may be blocked from submission and review.**

## ***Proposal Content***

Along with this application instructions document, we encourage you to reference the request for proposals overview document and the challenge rules and guidelines to ensure that your proposal responds to the challenge. You are required to submit either a Microsoft Word® or PDF® document; no more than 4 pages in length describing your project as well as a one-page budget table and narrative. Please do not include a cover sheet with your proposal. A cover sheet will be automatically generated from your registration data.

**Please include the following in your application:** (suggested lengths in parentheses)

(Indicated page limits are guidelines only for individual sections, but **your entire proposal document may not exceed 4 pages.**)

- 1) **Executive summary (~1/2 page)** The summary should indicate the specific problem that the proposal seeks to address, the approach proposed to solve this problem, and the expected impact of the project – if successful – at the end of the grant period. At the beginning of this section, include one or two sentences in bold that capture the essence of your idea.
- 2) **Proposal information (~ 1.5 pages)**
  - a. Describe the specific goals of the project and how they are responsive to coordinated program objectives noted in the Request for Proposals.
  - b. Include a brief presentation of any relevant ongoing initiatives and/or existing resources you'll be leveraging.
  - c. Describe the project plan and the key milestones and deliverables your project will generate throughout its lifespan. Include any key dependencies between activities or interim milestones that will influence project decisions or directions.
- 3) **Core team (~1/2 page):** Include a table summarizing the composition of the core team, including their affiliation/s and geographical location, the role of each collaborator and their skills/experience relevant to this call. This should include data partners, if any. Briefly describe the collaboration and how it will contribute to achieving the project goals.
- 4) **Data Sources (~1/2 page):** Please describe the data you intend to use for this project and include in the description whether you already have access to the data or not. If you're using multiple data sources, we recommend you include a table summarizing this information.
- 5) **Stakeholders and community engagement (1/2 page):** Describe briefly how you intend to get stakeholders and the wider public/communities involved throughout the process. How would they contribute? How will the project impact them?
- 6) **Path to impact (1/2 page):** What would your next steps be if you are successful in this work? How would this proposal contribute to Strengthening Modeling and Analytics Capacity and Ecosystem for Women's Health?

## **Budget Table and Narrative – 1 page maximum**
